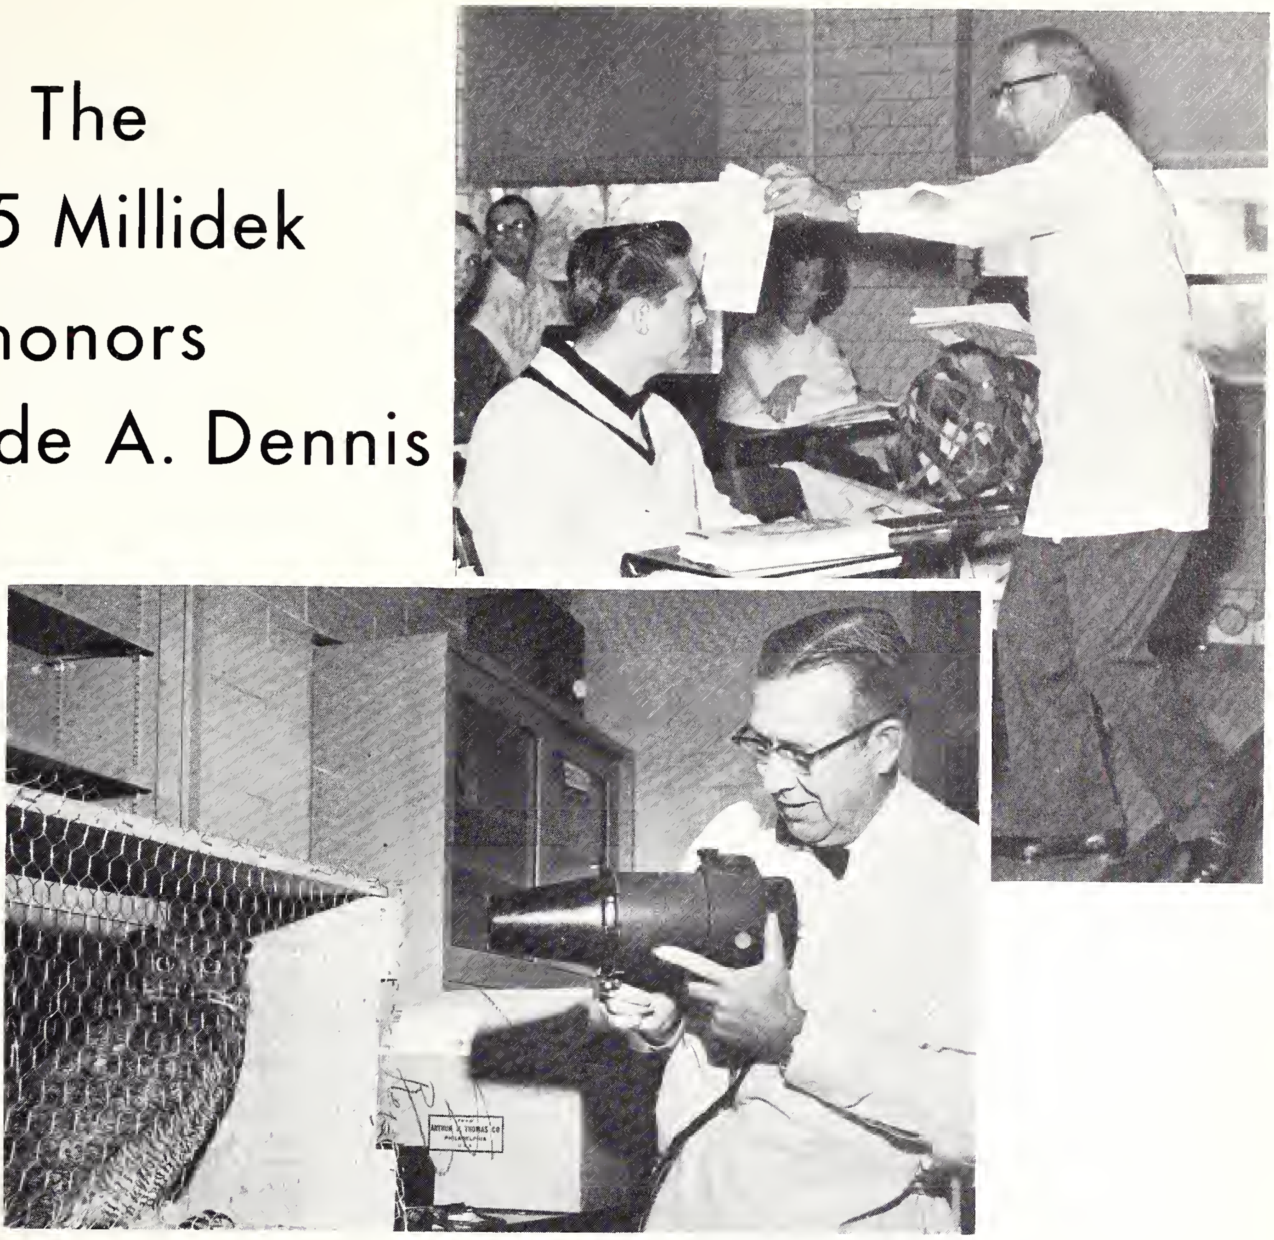
# 1965

# The 1965 Millidek honors Dr. Clyde A. Dennis



Pleasant, courteous, with genuine interest in each student, our Dean of the College of Arts and Sciences carries out his duties promptly and efficiently. That he is "on the job" is common knowledge among students and faculty. His good humor, his enthusiasm for all phases of university life, and his sincerity make it fitting that we dedicate the 1965 MILLIDEK to an exceptional teacher, a capable administrator, and a real gentleman.

. . . with its smooth functioning chain of command, from Walt Witt down to the President . . . eight o'clock classes filled with eager, alert students, eyes closed in thoughtful meditation . . . final exam week, the outburst of nervous laughter in the corridor, "boy, I really cooled that one-- I think" . . .

Doctor Paul L. McKay

President, Millikin University

Student Senate's main function is to provide a more direct line of communication between the students and faculty and administration. By revising the constitution, the senators raised the cumulative grade point needed for Senate membership and class officers, clarified election procedures, and initiated a change in women's hours. The Student Senate provides all-school activities through the function of the social committee.

This year an all-university Judiciary Board consisting of students, faculty and administration was created. The purpose of the Judiciary Board is to hear charges against students of the University and to make recommendations of disciplinary action (when necessary) to the proper administrative officials.

# DECATURIAN

Jim McBride and Cheryl Thompson brought the Decaturian through a year of growth during 1964-1965. The Dec was larger and more interesting with some six page editions and many unusual feature articles. Among the more outstanding editions were Homecoming, Christmas and Commencement. Many fine editorials appeared during the fall months preceding the Presidential election. Some 40 to 50 students served on the Dec staff. Special recognition should be given to Elmer Turner, Business Manager, and Mr. Jerry Redford, Faculty Advisor, for helping to make this year's Dec the best. The Dec served as a major means of communication for the student body through its presentation of announcements, news stories, and sports reviews.

Using the theme "There Are Many Millikins" the Millidek staff has strived to present to each Millikin student a permanent record of his experiences found at Millikin during the 64-65 school year. If the student finds in this book the inspiration to search for "his Millikin", the purpose of the staff will be fulfilled and the hours of work and the scurry to meet the deadlines will be remembered fondly.

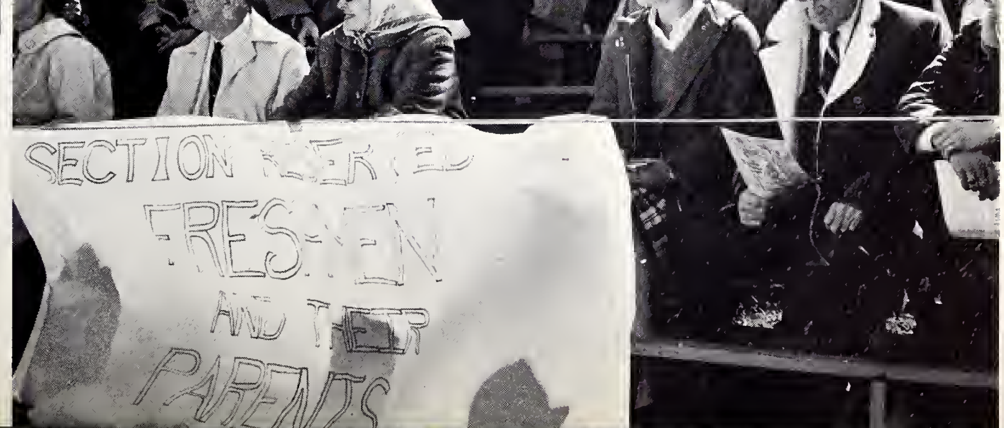
# MILLIKIN HOOTENANNY

# PARENTS' DAY

Parents' Day, October 10, 1964, drew a crowd of interested mothers and fathers to Millikin's campus. Traditionally, the annual event serves to better acquaint parents of Millikin students with the policies of the university and to present them with a complete and varied picture of campus life. Activities of the day included registration, a special parents' assembly, luncheon in the University Center, and an exciting football game. Open houses in the residence halls and Greek houses followed the post-game reception in the University Center Lounge.

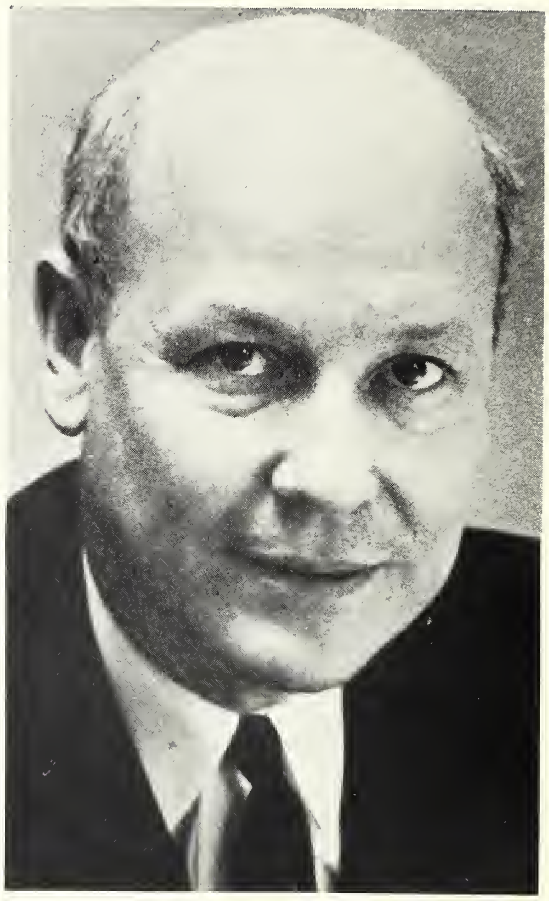
CO-CHAIRMEN: Bill Epperson and Martha Orr

A Millikin blanket is presented to the "Dad of Dads" and "Mom of Moms", Mr. & Mrs. John Amato.



An American pianist who has returned to this country after a long career all over the world, Abbey Simon demonstrated his command of the piano before a captivated Millikin audience on November 13.

Francis Robinson, Assistant Manager of the Metropolitan Opera, re-created, in his Millikin performance, scenes of life behind the Golden Curtain of America's most glamorous theatre.



On February 12, Millikin presented, for the second time in five years, the magnificent Juilliard Spring Quartet. Performing together for eighteen years, these Juilliard School salaists are the best known and most highly complimented string ensemble in the world.

Radiant Miss Saramae Endich is famed for her beautiful soprano voice. She charmed her Millikin audience with the enchanting purity of her tones, the drama of her oratorio and opera numbers, and the gossamer of exquisite songs.

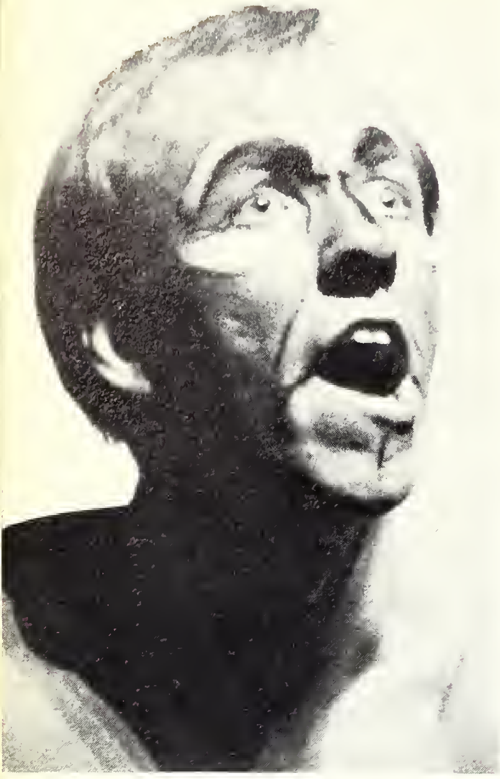
# FINE ARTS

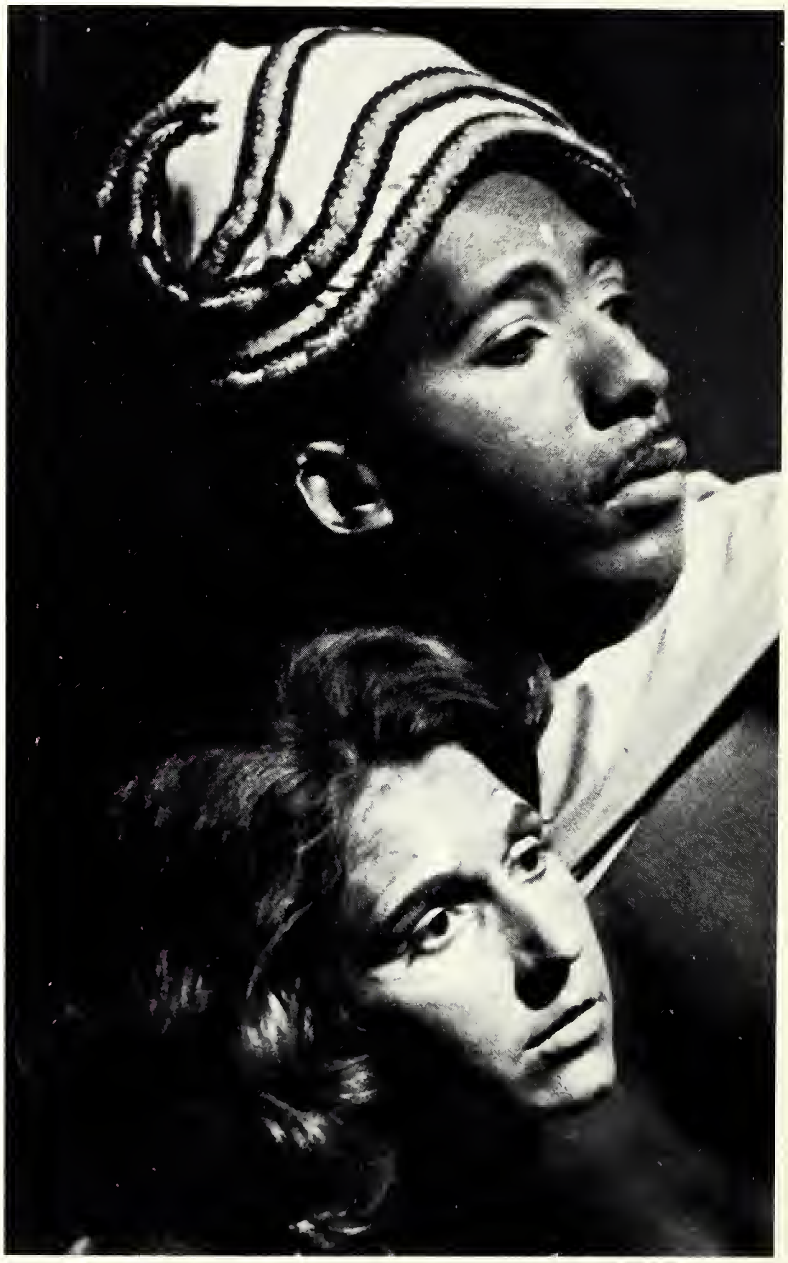
One of the finest singers and interpreters of song in America today, Leon Bibb, appeared at Millikin before a packed auditorium on October 2. His repertoire ranged from folk songs, to ballads, to Broadway show tunes.

Paul Doktor returned to our Series with Yaltah, the youngest of the fabulous Menuhins. The two presented a magnificent and unusual viola-piano duo, their favorite concert form.

# THE LITTLE CLAY CART

Town and Gown Production





The great city of Ujjayini set the stage for the opening of "The Little Clay Cart", an ancient Hindu play set about the 5th century B.C. Under the leadership of Dr. Jere C. Mickel, guest artist Orlando White played the leading role of Charudatta. Behind these men and the cast members there were crews and individuals who were responsible for make-up, stage properties, publicity, and all the other aspects which go into making a successful production. Costumes for the play were under the general supervision of Jane Looft, the original score was composed by Bill Epperson, and John Egan served as stage manager.

# CAMPUS CHEST

Headed by Carl Key and Dave Johnston, this year's Campus Chest initiated a variety of successful money-making campaigns. Not only did Campus Chest achieve its purpose in raising money to send several Millikin students overseas to Ecumenical Work Camps, but was able to donate additional funds to various charities. The success of this year's Campus Chest can be attributed to the fall dance, highlighted by the Beauty and Beast Contest; the fall and spring car washes; the Jazz Lab Band Concert; and the Carnival. At the fall dance, Autumn Haze, Beauty Cheryl Thompson, representing Pi Beta Phi, and Beast John Irish, representing Sigma Alpha Epsilon, were presented with their trophies. The distribution of the Campus Chest activities throughout the school year proved most successful.

# CAMPUS PROLOGUE

This year, Millikin had two hundred high school seniors visiting the campus November 20, 21, and 22. The weekend was filled with such things as department visitations, tours of the campus, a banquet, a dance, and concluded with a worship service on Sunday Morning. Everything was planned for the purpose of showing Millikin from all views. Through careful planning and preparation on the part of Howard Hayward, Chairman of Campus Prologue, and the active participation and cooperation of the student body the weekend was deemed a terrific success!

The Independent Student Association seeks to promote organized social, cultural, and academic activities for the independent students of Millikin University and at the same time for the betterment of the entire campus community. The "Indees", who have within the last two years blossomed into full force, have made many changes in their structural pattern.

Having adopted a new I. S. A. constitution, this co-ed organization has set up plans for both a voting and non-voting membership and also a Board of Review. Plans for the year included: reception for Leon Bibb, hot-dogananny, carwashes, bake sales, a fad party, and discussion groups. Most excited, the Independents looked forward to the spring formal--the first in many years.

"Blues on Broadway" swept the campus October 23 and 24. Yard decorations at dormitories and Greek houses welcomed alums to their Alma Mater and gave a new look to Millikin. The Homecoming Show entitled, "A Funny Thing Happened To Us While We Were On Broadway" played to a full house for three performances. Other highlights of the weekend included the bonfire and pep rally, freshman-sophomore games on Friday, and the parade and football game on Saturday. The final touches for Homecoming 1964 were the traditional dance, featuring Johnny Renaldo and his Orchestra, and the concert presented by the Four Freshmen. Despite M.U.'s loss to their arch rivals, Illinois Wesleyan, the weekend was one of fun, excitement, and feverish activity...a crowning success "on Broadway."

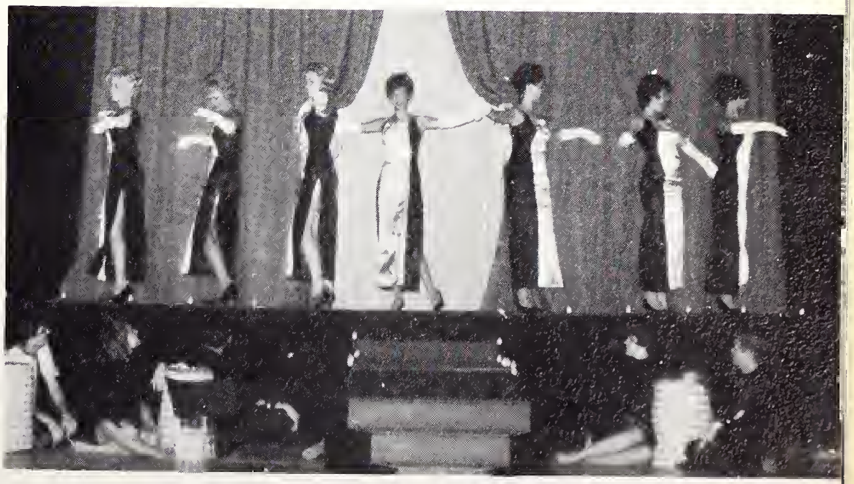
# HOMECOMING SHOW

"A Funny Thing Happened To Us While We Were On Broadway" traced the adventures of three small-town girls (Lois Farley, Candy Billiter, and Judy Kay Siebel) on their first trip to the Great White Way. Under the direction of Linda Latherow and Dan Verre, the cast gave splices of familiar Broadway productions with a special Millikin twist. The program featured Conrad Birdie (Lance Hanson), Gypsy Rose Lee (Carlyn Farrington), and a dance from Hernando's Hide-away.



# Queen Linda B.

Reigning over the 1964 Homecoming festivities was regal "Queen Linda B." This vivacious senior is an elementary education major from Springfield, Illinois. Active on campus, Linda's activities include: Co-captain of the cheerleading squad, Freshman Camp counselor, Homecoming and Variety Shows, Faculty Editor of the Millidek, Town and Gown Productions, Delta Delta Delta Historian and Sponsor Chairman, Student Senate Social Committees, Candidate for Miss Outdoors, and Campus Beauty Candidate. Linda and three other coeds spent the past summer touring the European countries of England, France, Germany, Italy, and Spain. She was most fascinated by Barcelona, Spain for its mysterious and romantic culture. Clearly an outstanding Millikin student, Linda Beth Bruninga possesses the qualities of a true Queen.

# WELCOMED ALUMS

Yard decorations at dormitories and Greek houses welcomed alums to their Alma Mater and gave a new look to the campus. Houses in competition used various Broadway shows to boost the overall Homecoming theme of "Blues on Broadway." We will all remember the long hours spent stuffing chicken-wire and making flowers; but, most of all, we will remember the satisfaction of admiring our finished products. Winning themes were "Delta Flowers Drum, Welcome Alums," by Delta Delta Delta, and "Ahoy, Alums, Welcome Aboard" the Sangamon Belle, by Tau Kappa Epsilon.

# THE "M" MAN

The 1965 Millidek has selected John "Hondo" Helm as the "'M' Man of the Year." The selection was made on the basis of scholarship, athletic ability, sportsmanship and extracurricular activities.

John is an outstanding athlete who excelled primarily in football and baseball for Millikin. However, while prepping at Taylorville High School, John was an All-State basketball player. John played outstanding football for Millikin this past year and led the Big Blue baseball nine to a CCI championship last spring. A member of Sigma Alpha Epsilon, the M-Club, and the Illinois High School Athletic Officials Association, John plans to teach and coach upon graduation. John is a very sports-minded individual who hopes to concentrate on basketball in his coaching career. He is respected in sport circles not only at Millikin, but in various parts of the state. John is an outstanding athlete and truly deserving of the "'M' Man of the Year."

# 1964-1965 BASKETBALL SQUAD

The 1964-65 Millikin Basketball Squad enjoyed a fine comeback season. Due to the recruiting efforts of Coach Don Williams, Millikin landed three outstanding basketball players: Jimmy Harris, Roy Washington, and George Garr. Jack Sunderlik, Dick Floyd, and Roe Skidmore all did an excellent job for the "Big Blue". The Blue continued their winning ways all season and made believers out of their CCI opponents. The satisfaction of the 1964-1965 season will be felt more next season because Millikin will have its entire starting unit plus its top two or three reserves back. The Blue will lose the services of three fine seniors, Norm Bristow, Steve Helm, and Lynn McCrary, all of whom have devoted much to the Millikin cause in the past four years. Captain John Black proved to be an inspirational leader in the '64-'65 campaign and will also return for his fourth year of varsity action next year. Yes, basketball is really on the upswing at MU and the success is due to a true team effort.

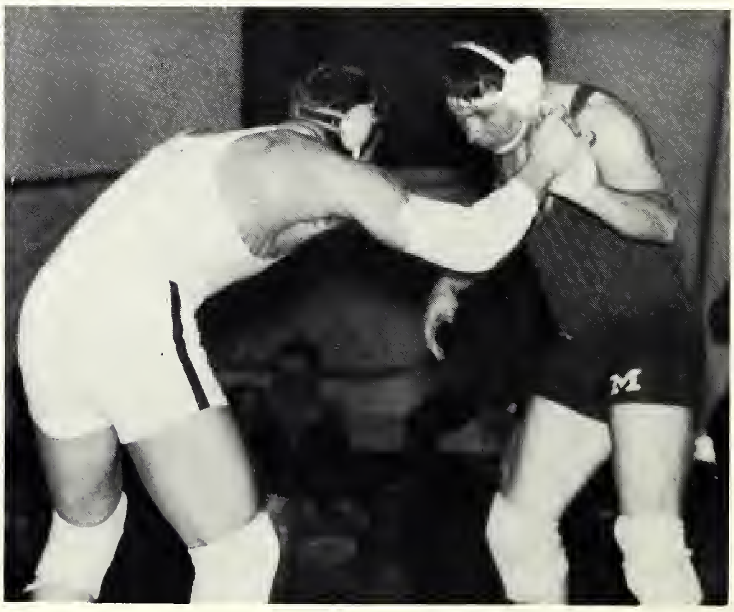
# WRESTLING TEAM

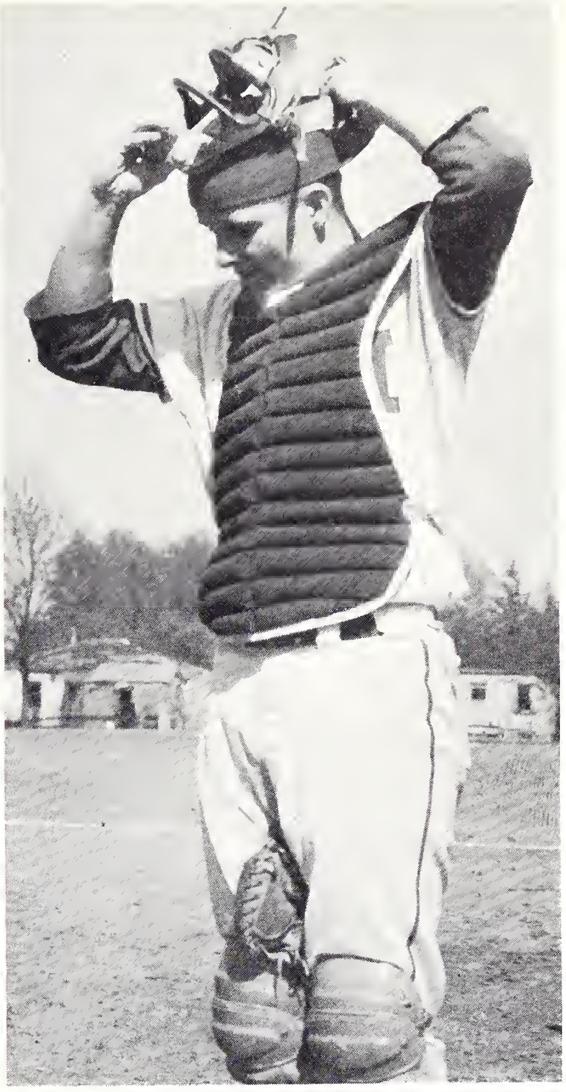
Millikin University has a young crop of grapplers who will develop into an outstanding wrestling team within the next couple of years. The Blue wrestlers fought hard during the 1964-65 season and brought honor and recognition to their school. Coach Jack Butts served his first season as Millikin wrestling coach and displayed great coaching ability in regard to teaching specific fundamentals and holds. Captain Charlie Haug was outstanding throughout the season and will return next season as one of the top small college wrestlers in the Midwest. Wrestling has become a fine spectator sport for many Millikin fans and has gained popularity on the campus within the last few seasons.



Charlie Haug decisions his opponent by the score of 3 - 2 in the Millikin Invitational Tournament for the 177 lb. championship.

# BASEBALL TEAM

With spring in the air, the cracking of bats and the speed of baseballs invaded the Millikin campus. Once again baseball is in the air and with last year's CCI championship the interest will be greater than ever before. The 1965 baseball squad, coached by Mel Bishop, will field a relatively stable lineup with veterans Dan Troemper, Mike Jurgens, Mike Reid, and Steve Helm. A good crop of freshmen including Bill Shortal, Tim Schmidt and Chuck Yurieci is likely to bolster the veteran attack. Roe Skidmore is counted upon to add strength to the third base position which was vacated last year. The strong competition in the CCI will make this year's season quite exciting as well as making baseball a "top" sport on the Millikin Campus.



BASEBALL TEAM: Row 1: T. Kromer, S. Moroitis, B. Laurent, D. Troemper, M. Reid, T. Schmidt, J. Humphrey, J. Craig, B. Armstrong, Row 2: B. Shortal, H. Friedman, S. Helm, D. Brown; D. Hoffman, M. Jurgens, G. Schopp, C. Yurieci, C. Keran

# TRACK TEAM

This year's track squad presents one of the finest crop of runners and field event men in the school's history. Dave Blue, Warren Waters, George Garr and Jimmy Harris will be relied upon to bolster the running attack. Kim Butts added point production in the weight events along with letterman John Irish. First year men, Chris Dubinick, Harry Futrell and Bob Bayha were indications of the team's strength.

# CROSS-COUNTRY TEAM

Coach Ralph Allan's cross country squad developed into one of the finest CCI squads by the end of the season. Freshmen runners Bob Laurent and Ken Lebeck made veterans Mark Cannon and Tim Logston fight for their positions on the squad. The entire cross country squad deserved a lot of credit for running over the hills of Scovill Golf Course during the long, hard season.

# GOLF TEAM

This year's Big Blue golf squad faces what many feel will be a very promising season. The ability of the first-year men to prove themselves in college action will be one of the vital points during the season. Captain Ed Kaufman will be the number one player for Millikin but he will draw heavy competition from veteran teammates Larry Grimes and Bill Sill. Weather should be an indicative factor in the progress of the team since golf requires a good deal of practice in order for the golfer to reach any degree of consistency.

# MEN'S TENNIS TEAM

The spring of 1965 will present a veteran tennis squad which is figured to fare well over the course of the season. Jerry Born, the 1964 CCI undefeated Singles Champion, is expected to lead the Blue again this season. George Clucas and Lynn McCrary are counted upon to assist Born in total point production. Letterman John Keith along with Sam Coldren, Tom Barnett, Tim Hill and Greg Yust are expected to make this year's squad the best balanced in Millikin's history.

# MILLIKIN CHOIR

The Millikin Choir, a select group of forty-one voices, is composed of students from various schools within the University in addition to those students majoring in music. Under the able direction of Mr. Richard Hoffland, the choir performed regularly at Chapel Services, presented an inspirational Christmas Vesper Service, and sang a home concert February 5th.

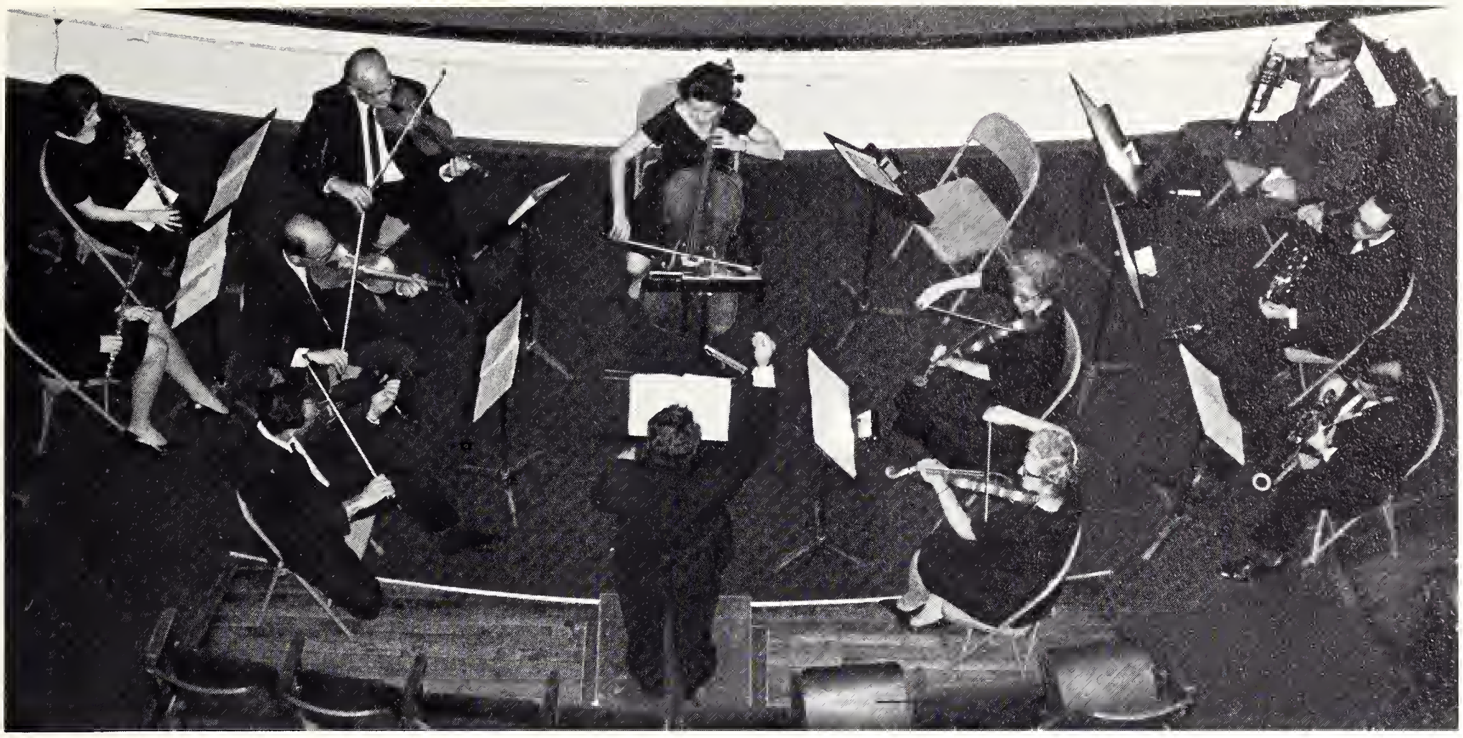
This year's tour through Indiana, downstate Illinois, and the Chicago area was highlighted by the Concert given at the Lakeshore Club for Millikin Alumni. An added feature of the year's performances was the newly formed vocal ensemble.

# UNIVERSITY CHORUS

The University Chorus serves as a training group for hopeful aspirants to the Millikin Choir. Performing in joint concert with the orchestra, the volunteer members of the chorus present the Messiah each Christmas. Their second annual concert featuring a guest composer is presented each spring during Music Week. Under the direction of Mr. Richard Hoffland, the chorus gains much experience from work in small vocal ensembles and concert performance.

# MILLIKIN BAND

The Millikin University Concert and Marching Band, under the direction of Dr. Theodore Thorson, performed at all the Big Blue home football games. The Concert Band presented the annual Spring Concert and performed at the Christmas Assembly. The band is open for academic credit to any Millikin Student.



# ORCHESTRA

The Millikin Civic Orchestra welcomed this year Mr. Roger E. Schueler, new director and Professor of Music at Millikin. Composed of both students and townspeople, the orchestra gave two concerts - the annual production of Handel's "Messiah" and the Spring Concert given at the conclusion of Music Week.

# JAZZ LAB BAND

The Jazz Band, formed only one year ago, has introduced to Millikin the contemporary field of jazz. Including both townspeople and students, the jazz band gave a benefit performance for Campus Chest this spring.

Yes, there are many Millikins, but the Millikin you find will be the one you look for.

Are you looking for a jail, a prison house which will bind you to unwanted responsibilities and irritate you with unnecessary rules and regulations? Are you looking for the things that are wrong--food you won't like, classes and profs you can't stand, unfriendly faces? You will find them, you will find them all.

Are you looking for short-cuts to learning, ways to get a passing grade without opening a book? Perhaps you will find them.

Are you looking for cheap thrills, adventures in irresponsible freedom without regard for the future, or the person whose character, or life, you compromise? You will find many open doors through which there is no return...either to mental health or physical well-being.

Are you looking for a retreat, an escape from the adult world of ideas, persons, and movements? You will find here your haven of ignorance and unconcern.

Are you looking for "busy-ness" without purpose or discipline? You will find it.

There are many Millikins, but the Millikin you find will be the one you look for.

If you look for a Millikin to honor with your loyalty, you will find it. If you seek the spirit of the Blue which binds us all together in the pride of accomplishment, you will find it...in the vision of an energetic President, whose dreams we can help to make reality...in the dedicated service of faculty members whose concern for your future is genuine and deep.

If your search leads you into the realm of ideas; if you seek that knowledge which is power, you will find it on the Millikin campus.

If you have clear-cut ideas of right and wrong, and a respect for the rights of other men and women, you will find those who share your convictions.

If you are concerned for the world in which you live and seek in your college years "not a retreat from reality," but preparation for it, you will find your niche.

And if you seek here the nearness of the divine, the God who cannot be shut out of the dormitory bull session, of the classroom of free and open inquiry, "if you seek here the eternal companion to humble you in moments of success, and sustain you in moments of failure," you will find Him.

Each year begins the great adventure...a time of laughter and rejoicing, a time of fear and doubt, a time to grow, a time to change, a time to dream of the tomorrows that may be yours. "In the shadow of the towers of our dear old Millikin"...but there are many Millikins...which one will be yours?

--Speech given at Freshman Camp
By John F. Burnhorn
Former Dean of Chapel

"There are many Millikins . . .

which one will be yours?"

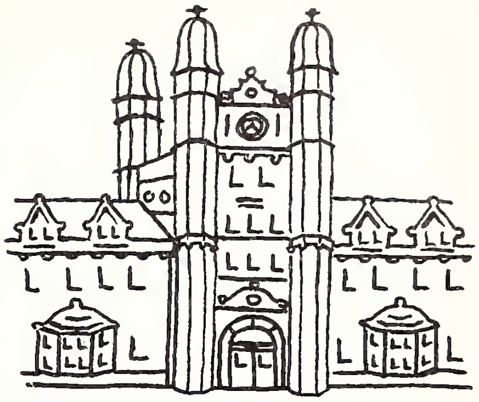
## Congratulations to Millikin University Class of 1965

## From the DECATUR ASSOCIATION OF COMMERCE

Building the city--that's the job of the Decatur Association of Commerce. This job includes Millikin University, which plays such an important role in Decatur.

During your student days at Millikin, you no doubt have noted how Decatur is growing. This is not just an accident, but an unfolding of a program of work for the growth of the city, developed by the Association of Commerce in cooperation with governmental bodies, organizations and clubs, as an expression of the "ambitions of the community."



# ADVERTISING AND INDEX

The Association of Commerce is a clearing house for community team-work--Decatur's sales agency. It promotes and protects jobs in factories, stores and offices. It collects and distributes facts about Decatur. It seeks to promote and protect investments in private and public properties. It is an avenue by which the whole "Decatur neighborhood" may become increasingly a better place in which to live and work.

All of these activities are an assist to Millikin University, its faculty and student body.

As a graduate of Millikin, wherever you may live, we urge you to help give leadership to that community to help it become wholesome and progressive. As University men and women, we charge you to accept this challenge in the spirit of your Alma Mater--Millikin University.

# WILL THIS COLLEGE DOOR BE KEPT OPEN?

Within a few years, twice as many students will be entering American colleges and universities. Many of these young men and women will find crowded conditions at the schools of their choice and may even find it impossible to attend these schools.

It is not unusual to find parents looking for suitable college arrangements for sons and daughters who are just entering high school.

The Millikin Class of 1965 is joining the alumni ranks. Your basic education is behind you. Your future is bright with many opportunities.

During your four years at M.U., you have paid approximately sixty per cent of the actual cost of your education. Millikin has paid the rest.

Where did this "wonderful forty per cent" come from? It was available to you largely because Millikin alums have developed an outstanding record of financial support for their alma mater.

You, too, will be called upon to support Millikin. When that call comes, consider your good fortune in being educated in the college of your choice, and help make Millikin available to other young men and women in the future.

# NOW
# it's my turn...

Now, it's my turn to earn my place in our community . . . in our country. Someone before me had his turn . . . someone built the schools I attended . . . someone subscribed to the hospital building fund . . . someone worked on the fund drives for church and charity . . . on Scout committees . . . on the thousand and one civic affairs that weave strength and character into this country of ours.

Someone . . . in fact, many . . . were good citizens before me.

Now, it's my turn to take up the responsibilities of citizenship. I know I will be a good citizen only if I make up my mind to be . . . that I will reap the rewards of good citizenship only if I invest in them . . . that I and millions like me will determine the kind of community and country we will live in. Strong communities mean a strong Nation.
